Oilfield Equipment Supply

Our Oilfield Equipment Supply Value Proposition

6

⚡ We have strong strategic relationships with key Original Equipment Manufacturers (OEMs), Buying Houses and Technical Partners which enable us offer our clients **better pricing, better lead times and after sales services** for the equipment and materials.

⚡ Our service delivery ensures clients get best value for money by embracing value engineering, eliminating wastage and unnecessary costs.

Some Equipment We Supply To The Oil & Gas Industry

7

- ✦ Valves (Ball, Gate, Butterfly, Globe etc)
- ✦ Subsea, High Pressure, High Temperature & Cryogenic Valves
- ✦ Valve Actuators and Positioners
- ✦ Different types of Skids
- ✦ Carbon Steel Line Pipes & OCTG
- ✦ Pipe fittings & Flanges
- ✦ Steel Pipes and Shapes
- ✦ GRE Pipes and other Special Pipes
- ✦ Drill pipes from 22/3" to 65/8"
- ✦ Structural steel (Pipes and Shapes)
- ✦ Ropes
- ✦ Firefighting & Safety Equipment

Some Equipment We Supply To The Oil & Gas Industry

8

- Filters (O-ring, Leaf-filter, Cricket filter etc)
- GRP Cabinets, Enclosures, Shades and Shelters
- Gauges (Pressure, Level, Depth, Ring, plug etc)
- Instrumentation & Control Systems (DCS, PLCs, Meters etc)
- Electrical Items (Generators, Electrical Cables, Transformers etc)
- Gas Detectors and Flame Detectors
- Pressure Sensors / Transmitters / Transducers
- Hoses
- Gaskets
- Static & Rotating Equipment(Pumps, Compressors, Pressure Vessels, Knockout drums etc)

Our Value Adding Procurement and Supply Chain Services

9

Quality and Authentic Equipment/Spares from OEMs

- Quality is a critical factor in the Oil and Gas industry. Our clients are assured of the quality and authenticity of the equipment and spares because we source directly from Original Equipment Manufacturers (OEMs) and major buying houses for items that we do not represent the OEMs in Nigeria

Better Pricing, Better Lead-time

- Our strategic relationships with the OEMs enable us offer our customers better pricing and better lead times such that materials are delivered within or ahead of the delivery time line.

After Sales Services

- Clients benefit from our after sales service for products that we represent the OEMs here in Nigeria.

AI-Based Predictive Monitoring

AI-Based Predictive Monitoring – SAM GUARD

11

- ✦ A Powerful Combination of Advanced AI Software & Human Domain Knowledge
- ✦ Monitors your critical and regular equipment, both static and rotating, to ensure 100% coverage of all your assets.
- ✦ Reduces Downtimes
- ✦ Saves you \$\$ in potentially lost production
- ✦ Predicts Equipment failure
- ✦ Make Data-driven decisions

Engineering Consultancy Services

Engineering Consultancy

17

Horizon Shores offers a comprehensive range of engineering design services to meet our clients' needs at every stage of the design process from start to finish. This translates into higher constructability, reliability and quality on every project.

We have been meeting our ultimate goal in delivering services to our clients on schedule without compromising Quality, Health, Safety and Security of our personnel and the communities that are within our areas of operation, as well as, the environment.

Our Engineering & Consultancy services include:

18

- Conceptual/Feasibility Studies
- Front End Engineering Design (FEED)/
Basic Engineering
- Detailed Engineering
- Design & Safety Reviews (HAZOP, HAZID,
etc.)
- Facility audits, safety audits etc.
- Project Management
- Installation and maintenance of valves,
positioners and actuators
- Training on Engineering design software

Pipeline Installation & Steel Fabrication

Pipeline Installation

20

Horizon Shores handles onshore pipeline construction and installation projects using the best of equipment and manpower.

Fabrication

21

Horizon Shores has a fabrication yard in Warri that spans an area of over 10,000 square meters. The yard is used for repairs and maintenance of various equipment. Fabricated structures are also loaded out of our jetty.

We have capacity to fabricate structures which include but not limited to the following:

- Pipe racks
- Topsides
- Skids

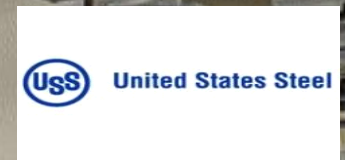

Technical Manpower Supply

23

- 
- Our technical manpower supply grants you access to suitably trained, qualified and experienced local and expatriate engineers for onshore and offshore service.
- By acquiring manpower supply from Horizon Shores, you will be eradicating the stress of hiring, training and inducting employees as our team have the necessary skills and exposure to meet and exceed all project requirements.
 - Not forgetting the growing demand for a locally compliant industry, we take cognizance of the need to develop local skills, technology transfer and use of local skilled and highly experienced manpower.

Setpoint Engineering Limited	Procurement and Supply of Differential Pressure Meter	2024	Completed
Chevron	Procurement and Supply of Turbine Engines Filters and Parts	2023	Completed
Chevron	Procurement and Supply of COMPRESSOR: CHILLER FOR ADMIN CHILLER Heating Ventilation and Air Conditioning Equipment & Parts	2023	Completed
Chevron	Procurement and Supply of Ultra high pressure hydraulic pump kit	2023	Completed
Chevron	Procurement and Supply of Cage and Plug Valves	2023	Completed
Chevron	Procurement and Supply of Fuel Filter, Injector Pumps, Fuel pumps and Injector Gaskets	2023	Completed
Chevron	Procurement and Supply of Emerson Coriolis Flow Meter	2022	Completed
Dangote Fertilizer	SAMSON Type 2412 Valve NPS 1 and Actuator	2022	Completed
Chevron	Procurement and Supply of Asco Solenoid Valve Emerson	2022	Completed

Industrial & Medical Gases Nigeria Plc	SAMSON Differential Pressure and Flow Meter Media 5	2022	Completed
NLNG	Procurement and Supply of Chemical Dosing Pump	2021	Completed
Chevron	Procurement and Supply of Chemical Injection Package	2021	Completed
Chevron	Procurement and Supply of Pressure Valve	2021	Completed
Dangote Fertilizer	Procurement and Supply of Positioners	2021	Completed
Indorama Petrochemicals	Procurement and Supply Of Samson Actuators	2020	Completed
Chevron	Procurement and Supply of SLFC O-rings	2020	Completed
Chevron	Procurement and Supply of Champ DMV Series Lighting Fixtures (Flexible Pendant-Mount). Catalog #/: DMVM21A2.50GP/MT.	2020	Completed
Schneider Electric	Supply of GRP Instrument Sunshades for Alcon ETP Upgrade Project	2020	Completed
Chevron	Procurement and supply of Commscope TeraSPEEDA® LC to SC, Fiber Patch Cord	2020	Completed
Chevron	Procurement and supply of Rosemount Pressure Transmitter	2020	Completed
BOC Gases Nigeria PLC	Procurement and supply of Differential pressure gauge	2020	Completed
Chevron	Procurement and Supply of Foxboro Pressure Guages	2019	Completed
Babsmac Int'l LTD	Procurement and Supply of Samson Valves	2019	Completed
Chevron	Procurement and Supply of Honeywell Detector Bases	2019	Completed
Bell Oil and Gas	Detailed engineering Design of Chevron Abiteye Sewage Treatment Project	2019	Completed
Sojan Construction	Procurement and Supply of Samson pressure reducing Valves	2019	Completed
Chevron	Procurement and Supply of Asco Solenoid Valves	2019	Completed
Chevron	Procurement and Supply of Euroswitch Proximity Switches	2019	Completed
Chevron	Procurement and Supply of Micromotion Gasket for Metering Skid	2019	Completed
Chevron	Procurement and Supply of Stainless Steel Wire Mesh	2019	Completed
Chevron	Procurement and Supply of United State Energy Corp Stater Motor 12HP	2019	Completed
Chevron	Procurement and Supply of Penn Tools	2019	Completed
Chevron	Procurement and Supply of Perkins Gen- Set Spares for EGTL	2019	Completed
Chevron	Procurement and Supply of Klinger Gasket Test Kits and SE Test Pump	2019	Completed
Chevron	Procurement and Supply of Processor Incinerator Moisture Analyzer	2019	Completed
Chevron	Procurement and Supply of Rosemount Pressure Transmitter	2019	Completed
Chevron	Procurement and Supply of DONG IL ENT Flexibe Discharge Hose	2019	Completed
